

# OAA SCHOOL UNIFORM POLICY

Complete uniform attire is required to attend all classes, including physical education classes. The full-dress uniform is to be worn on field trips, to school assemblies, and to other designated activities. Students' uniforms must be clean, neatly pressed and in optimum condition at all times. **Students should assume the full school uniform is required every school day, regardless of the weather, unless there is written notification of a non-uniform day.** When in doubt, students should wear the school uniform. Each student/family is expected to comply with the school's dress standards as outlined below.

"A person's character is judged by his style of dress. A refined taste, a cultivated mind, will be revealed in the choice of simple and appropriate attire." (MYP 344)

## GENERAL UNIFORM GUIDELINES K-12

- All uniform components are to be purchased from *Dennis Larose*, the authorized uniform company for OAA.
- Class jackets are not to be worn during the school day. These outfits are class items and we encourage students to wear them to school outings. Classes may petition to administration for the privilege of wearing class jackets during the school day.
- **Students are expected to be in full uniform beginning on the first day of school.**
- Anything worn other than what is listed in this policy will be deemed unacceptable.
